

Spilfyter Kolor-Safe® 32oz Liquid Neutralizer for Bases

Features:

- Take the guesswork out of spill response
- The Kolor-Safe® color change process lets you know when bases are safe to handle – changing colors as the spilled liquid becomes PH neutral
- The liquid formula reduces gas and heat during the neutralization process and can be deployed easier on uneven or vertical surfaces
- Liquid neutralizer is best used with smaller spills
- Render hazardous bases safe for cleanup and disposal in accordance with local, state and federal regulations

Important Expiration Information:

- Neutralizer is good for three years from the lot code/date on the label
- The lot code on the label or box is based on the year and days in a year (Julian Date)
- *For example "21032" represents the 32nd day of 2021 or February 1, 2021.*
